DIGITAL ART REQUIREMENTS

Unless specifically noted, all ad materials should be submitted in CMYK with all additional colors eliminated from the files.

- **Preflighted PDF/X-1a files created in InDesign with fonts embedded are preferred**
- The SPE ad port, SendMyAd, only accepts PDF/X-1a files for print ads

Note: Ads, logos, and/or photos that are submitted as word processing documents (Microsoft Word, Word Perfect, etc.) or PowerPoint file will not be accepted.

4-Color Ads: Supply digital files in CMYK, plus press-accurate color proof. Standard second colors (red, blue, green, yellow) must be built from process colors. PMS equivalents are given for reference only.

- **Red** (equivalent to PMS 185) – 100 magenta plus 70 yellow
- **Blue** (equivalent to PMS 300) – 100 cyan plus 50 magenta
- **Green** (equivalent to PMS 355) – 100 cyan plus 100 yellow
- **Yellow** – 100 process yellow

Technical Specifications: Images must be in CMYK or grayscale, TIFF or EPS files, with a minimum of 300 DPI at 100%. Please make sure you convert all colors to CMYK, 4-Color process.

(Note: Crop marks, created by using the crop marks feature in applications, are usually "Registration" color.)

Bleed Ads: Keep all text, logos, and important graphics a minimum of .25 in. (6.4 mm) inside from the trim. Bleeds should extend .125 in. (3.2 mm) beyond the trim, on the sides that bleed. Crop marks are not necessary, but if you add them to your PDF, please offset the crop marks, color bars, and registration marks so they are outside the bleed.

Non-Bleed Ads: Please set up the file to the "Live" specs. If you are creating an ad smaller than a full page ad that does not bleed and has a white background, please add a hairline rule around the ad (the size of the "Live" specs).

PDF Presets for joboptions file: The SPE_Publications joboptions file contains PDF settings that when selected, will produce a PDF consistent with the SPE Publications specifications. Using this joboptions file will produce an Adobe PDF suitable for submission to all Society of Petroleum Engineers publications and meetings materials. It is available for download at www.spe.org/sales/publications or upon request at PrintPublishing@spe.org.

NOTE: All ads will be kept for one year only.
